Is Rotary Getting Involved with COVID Vaccination?

By Paul Nicholson

Interested in knowing more about the national and global distribution of the COVID vaccines? Are you wondering if there will be a role for Rotary? If so, you'll want to join us for the next Rotary Now!/Leading Change event at 7.00pm on Thursday, January 21. We have scheduled an eminent panel of experts to provide you with answers to these questions, and many others.

The panelists include Dr. Dean Sidelinger, Health Officer and Chief Epidemiologist for the Oregon Health Authority, and Andres Kragelund from UNICEF USA's Global Programs and Field Engagement team. Andres has been the point person at the organization on all things related to COVAX and ACT-A work, so will be able to bring some wide-ranging perspectives to the conversation. They will be interviewed by Rotarian Julie Manning, VP at Samaritan Health Services, who is working with OHA on vaccine distribution for Benton, Linn and Lincoln Counties. We will make sure there is plenty of time for the panel to answer your questions too!

We hope you can join us for what promises to be a fascinating and informative session. <https://www.district5110.org/is-rotary-getting-involved-with-covid-vaccination/>
