## RYLA

Thank you for supporting this years RYLA Camp and sending 6 local students! Please see the link below for a glimpse of this years camp!!!

Special thanks to Rotarian Frank Ganong for spear heading this!!

Our successful Camp RYLA came to a happy conclusion on June 23rd - campers, staff and Rotarians left tired, fulfilled, and renewed. Our first in-person camp since 2019 gave us some challenges, but the camper reviews are enthusiastic and positive! We started with cold, wet weather which transformed on Day 3 into brilliant sunshine and warmth (and a few allergies!) - Grove Camp is a lush, forested environment with gorgeous mature trees, scores of birds, and the Row River running through. The highlight of Day 4 was a huge slip-n-slide that provided a lively, welcome contrast to the heavier, powerful elements of RYLA.

### **Shelter Box Support update:**

On behalf of everyone at ShelterBox, I want to extend our thanks and congratulations on receiving ShelterBox HERO recognition at the Bronze level for Rotary Year 2021-22.

Your support is very much appreciated, not only by ShelterBox, but by the people whose lives will be changed because of your club's donation.

ShelterBox has provided aid to over 2 million people since being founded by a Rotary Club in 2000 and we could not have reached these folks without clubs like yours.

We're continuing our response in Ukraine as well as assisting people in other countries wracked by violence. We're monitoring the recent earthquake in Afghanistan to see if our assistance will be needed there, and are preparing for hurricane season in the Atlantic. So, as always, contributions from clubs like yours are critical to keeping our warehouses full.
