Apologies in advance...it was a slow Newsweek!!

Two blondes walk into a buildingyou'd think at least one of
them would have seen it.

My friend drowned in a bowl of muesli. A strong currant pulled
him in.

What do you call a fish with no eyes? A fsh.

A man came round in hospital after a serious accident. He
shouted, 'Doctor, doctor, I can't feel my legs!'

The doctor replied, 'I know you can't, I've cut your arms off'.

I went to a seafood disco last week and pulled a muscle.

Two Eskimos sitting in a kayak were chilly. They lit a fire in the craft, it sank, proving once and for all that you can't have your kayak and heat it too.

Man goes to the doctor, with a strawberry growing out of his head.

Doc says 'I'll give you some cream to put on it.'

'Doc I can't stop singing 'The Green, Green Grass of Home'

'That sounds like Tom Jones syndrome. '

'Is it common?'

'It's not unusual.'

A man takes his Rottweiler to the vet. 'My dog is cross-eyed, is there anything you can do for him?'

'Well,' said the vet, 'let's have a look at him'

So he picks the dog up and examines his eyes, then he checks his teeth. Finally, he says, 'I'm going to have to put him down.'

'What? Because he's cross-eyed?'

'No, because he's really heavy'.

An Irish girl got engaged to an Eskimo. It didn't last. She broke it off.

Police arrested two kids yesterday, one was drinking battery acid, and the other was eating fireworks. They charged one and let the other one off.

'You know, somebody actually complimented me on my driving today. They left a little note on the windscreen. It said, 'Parking Fine.' So that was nice.'

A man walked into the doctor's, he said, 'I've hurt my arm in several places'

The doctor said, 'Well don't go there any more'

Ireland's worst air disaster occurred early this morning when a small two-seater Cessna plane crashed into a cemetery. Irish search and rescue workers have recovered 2826 bodies so far and expect that number to climb as digging continues into the night.
