Member Profile: Jerry Molatore

Jerry joined Rotary in 1971 with the classification of Civil Law.

He graduated from KU in 1963 and received his BA from U of O and his JD from Santa Clara University. He served as District Attorney for Curry County, living in Gold Beach where he met his wife, Yvette.

Returning to Klamath Falls, his private law practice spanned 34 years, retiring in 2006.

Jerry and Yvette have three children and six grandchildren.

He now devotes his time to family, reading and varmint suppression which he deems public service.

He was attracted to Rotary by the quality of members and says socialization is a major Rotary benefit for him now.

This week is our Christmas program and President Matt has requested a head count of members attending and any guests they might be bringing. Please help him out and let him know if you're going to be there and if you plan on bringing a guest (this program traditionally invites spouses/significant others.) You can email him at:

copehurley@gmail.com

Or call him at 541-891-1727

bios. If you haven't already, get together with him and we will put you here!

It's important that you let him know so he can make sure there is enough space in the room and the caterer has enough food.

December 16th is the night flight at the base. You need to be at the gate at 3:30 to get escorted to a briefing on what we're going to see. Then out to see the jets take off. It will be very interesting. You must be on the list to attend (it's full now.)

The club is looking for two people to join the board. One is a two-year position and the second one is a four-year position that ascends to the presidency. The idea is, once you've been on the board for four years and see how everything works, being the president will be a breeze! Nominations are now and elections will be held in January. Speak to any of the current board members if you are interested in helping out.

This Wednesday is the monthly board meeting at 5PM at DA Davidson office at 810 Main Street. If you have a red badge, a brilliant idea or just want to find out more about what's going on with our club, then this is the place to be this Wednesday.

Our Club is raising funds to help support the Wings & Eagles airshow this July. We need to raise \$5000 from donations to secure advertising as one of the sponsors. This is an exciting event coming and the base does a lot of great things for our community, so we should do our best to support them. You can make a donation at the sargent at arms table and put in the notation "Wings & Eagles." We are hoping to reach our goal and make the donation sometime in January.
