must be on the list to attend and participation is limited to 44 (there are 30 signed up at this time.) If you'd like to go, the list is on the sargent at arms table this week. Thanks to Tom Schiess and Jim Witt for making this happen.

The club is looking for two people to join the board. One is a two-year position and the second one is a four-year position that ascends to the presidency. Speak to any of the current board members if you are interested in helping out.
