### Apologies to Jets Fans

1. What is a foot ball player's favorite kind of dancer? A Belichick!
2. What's the difference between a Jets fan and a baby? The baby will stop whining after a while.
3. Why do Jets fans always carry a map? Because they can't find their way into the end zone!
4. What do you call a lineman's kid? – A chip off the old blocker!
5. Why was the college team late for the game? They mistakenly went to the Siesta Bowl.
6. How many Jets fans does it take to change a light bulb? None. They are used to living in the Patriots' shadow.
7. Did you hear about the foot who went to the dance party? – Yeah, it had a "ball"!
8. How do football players stay cool during the game? – They stand near the fans!
9. Why don't football fields get hungry? – Because of all the quarters!

10. How does an football coach like his coffee? Grounded, just like his defense strategy!

11. How do you know someone is a Giants fan? Don't worry, they'll let you know – especially if it's 2011 again!

12. Why did the football sigh? It was "deflated"!

13. Where to college teams eat breakfast? At the Cereal Bowl!

14. Why was the football team late for dinner? – They can't find the "end zone"!

15. What did the football say to the punter? – "I get a kick out of you."

16. How do college players sweeten their coffee / tea? They go to the Sugar Bowl!

17. Why is a football stadium the coolest place to be? – Because it's full of "fans"!

18. Why did the quarterback open a bakery? Too many turnovers!

19. Why don't football players ever write things down? Because they're afraid of getting extra "PENalties"!

20. Why did the retired quarterback keep all of his game balls? He was bored just PASSING time.

Board Meeting on January 8th at DA Davidson on  
Main St. 5 p.m.

We are still collecting donations for the air show at the base this summer. The goal was to collect \$5000 and that would allow us some publicity helping with our "public image" campaign. Donate by the end of January please.

The board is looking for members to join a committee to review our by-laws. If you are interested, please see a board member.☺

Matt says he'll give \$50 to whoever does this)  
(just kidding)

In today's world, it's very hard for any organization to attract new members. People are busy and some don't see the point. We have been super fortunate to bring in some high-quality members in the last couple of years. At PETS (president-elect training) and other Rotary type meetings, this has been a topic of discussion for years. Just as important (and also frequently discussed) is retaining members. If you see a new face at a meeting, please approach them, welcome them and sit with them for lunch. You might also casually mention that you are here for them if you can answer any questions they might have about Rotary. Ours is really a great club and I have made several good friends that I might not have, had it not been for Rotary. Try to remember what it was like when you were new and reach out with some friendly warmth. It won't hurt, I promise, and you just might get a new friend out of the deal.
