**A huge shout-out to all the Rotarians that made
KCKR another resounding success!! A special
thank-you goes to Cec Amuchastegui, Jim Witt and
Rashell Carvalho. These 1st graders love this
program. You can't help but feel uplifted after
seeing the joy on these kids' faces. Job well done.**

**Reminder that Rotary Dues remittances are needed
by June 15th. Make it easy and bring your check to
this week's meeting. This is also an opportune time
to make a donation toward your Paul Harris Fellow
goal and take advantage of the one for one match
of club points up to \$1000. For every \$1 donated,
the club will match with 1 club point to get you to
your goal twice as fast.**

**Our three exchange students will be coming to this
week's meeting and making Chocolate Chip
Cookies for sale. Cookies are four for \$10. The kids
are trying to raise money for their year-end trip. This
may be their last visit to Rotary so let's give them
lots of support!**

As we wind down the end of the Rotary year, its a good time to reflect on the previous year and all the successes.

President Jim guided us through our best auction in the history of our club.

Followed by a great centennial celebration. We enjoyed a steak fry, social meetings at Mia's and Pias and Higher Ground. Another Novermberfest was enjoyed by all. We had several thought provoking programs.

KCKR became another year older. I'm sure there is tons of things that happened that I'm missing. President Jim did a fine job and left the club better. Lets not forget the outstanding bulletins we all received weekly as we waited to get them, and then pored over every word.

???????

Talk about thought provoking!!

But now we must face the reality that our club could very well face dark times with the Hurley regime on the horizon. Advice for all...hold on to each other tight and pray this upcoming year passes quickly with the least amount of damage. This too shall pass...
