Club of Klamath County

This is the next to last meeting for President Jim to hold the gavel. He has done a great job and his Rotary year has been full of fun and very successful. Thank you President Jim for your hardworking service to our club. Hopefully you will get a well deserved rest as a new board comes in and takes direction of the club. This column has poked some fun at our incoming president, Matt Hurly. But with all kidding aside, those that have been president know it can be a full time job and a daunting task between requests from the district, the District Governor and Rotary International. Matt has been working to take over the presidents role since early in this calendar year with training both in person and on line. Him and his lovely wife Mary, have just returned for the Rotary International Convention in Singapore! What a adventure that must have been and hopefully we'll hear all about it in the coming weeks. Matt is a dedicated Rotarian and has shown time and time again that not only is he capable of the job, he will excel at it. Lets welcome Matt week after next as our new president as we embark on a new Rotary year. It's going to be another great one!!

The program committee will meet after this week's meeting. If you have an idea for a program, please stick around and get it on the calendar.

Your hardworking social committee is in the planning stages for this year's Steak Fry. A little history perhaps of the steak fry and it's significance to our club. As you may or may not know, the Rotary year ends on June 30th. Several years ago, Charlie Curtiss (Cam Curtiss's dad) invited the whole club up to the Rock Creek Ranch to celebrate the "changing of the guard" with the old president going out and the new coming in. It must have been successful because it has been a tradition for years. It was hosted by various Rotarians over the years. Barney Simonsen, Cam Curtiss, Charlie Thompson, Jim Calvert, Frank King and Jennifer Scanlan have been some of the more recent hosts. The steak fry is a great time and not to be missed. In recent years it has been at Klamath Yacht Club and looks like it will this year also. To feed 80 to 100 people is a large task, so when the social committee reaches out and asks for help, please be generous with your time to continue to make the Steak Fry a success! We'll let you know the date as soon as they do.
