Club of Klamath County

A note from President
Jim:

This being the last bulletin published under my term, I want to take the opportunity to express what a pleasure, privilege and honor it has been to serve and represent the Klamath County Rotary Club this past year. It has been such a rewarding year as we all have experienced the many accomplishments of the club generated by the generous and gracious giving of time, talent and funds of so many members. Each of you has taken up the charge of carrying on the rich legacy of this club. It is this type of commitment and involvement that has seen this club through 101 years of existence. I also want to offer a sincere thanks to the many of you who have provided such sound guidance and support through this past year. You have made what I initially considered a "daunting task", a fun and memorable experience that I will always cherish.

A special thanks to Dave Carlson who has weekly taken on the task of getting the bulletin out to the

membership. He has had a plethora of great ideas and witty and entertaining content, all the while navigating the frustrating, quirky, and not rational world of DacDb publishing. I look forward to buying him a few pints in my indebtedness.

As I now pass the gavel to new President Matt Hurley, I do so knowing that the club will prosper and grow under Matt's care.

He has some great ideas and is very enthused about seeing them carried out. With Matt's great sense of humor and years of Rotary experience, I know we are in for a fun and entertaining upcoming year. So, fasten your seatbelts and keep your arms and legs inside of the vehicle!

With Great Gratitude,
Jim

The Rotary/4H Livestock Auction is on August 4th. This is our major project of the year, and we need everyone to show up and help out. Please make sure your calendar is clear for that day.

This is the week President Jim turns the gavel over to President-Elect Matt. There will be a lot of pomp and circumstance, so wear your best attire and plan on a long, boring meeting (not really.) The turning of leadership is always a fun time and great opportunity to thank the outgoing board members.

Please show up early this week because the meeting will start around 12:05, and you won't want to miss any of it. Let's make sure we have lots of folks in attendance to support both the outgoing and the incoming!

The Steak-Fry is scheduled for Saturday, August 17th. Social at 5:00 and dinner at 6:30-ish. Location is the Klamath Yacht Club, 2700 Front St. Price to be determined, but it will be a super value, really yummy and a good time!

- **As we transition into the new year, there will be some changes to the Board. Ron Hathaway-Director at Large, Tracey Lehman-Secretary and Parke Blundon-Past President will be transitioning off of the board. Joining the Board will be Steve Bocchi-Director at Large and Taylor Hampton-Secretary. Remaining on the Board are Matt Hurley-President, Ken Morton-President Elect, RaShell Carvalho-President Nominee, Chris Moudry-Treasurer Jim Hackett Immediate Past President and Jennifer Scanlan-Director at Large. We are still seeking a candidate to fill the open position of President Nominee-Designate. An immense thank you to those who are exiting the board for their past service and to those joining for their future service in carrying on the good work of the club.**
- **Katelyn Ferguson has submitted an application for membership in our Rotary Club. Katelyn is a retired Elementary School teacher but remains active in promoting educational activities through the Northside Garden Club Klamath Christian Church. She is a wildlife conservationist and participates in the Klamath Basin Audubon Society. She is also a Guild member at the Ragland Theater and Klamath Tree League. Katelyn is sponsored by Mike Brown. If any member has concerns about Katelyn's membership, those reasons must be provided to the Board in writing within seven days of this notice.**
