Club of Klamath County

Yes...it's been a slow news week so maybe a little St. Patties humor...

Thirst is a shameless disease so here's to a shameful cure.

The devil invented Scotch whiskey to make the Irish poor.

Drink is the curse of the land. It makes you fight with your neighbor. It makes you shoot at your landlord and it makes you miss them both.

It's the first drop of whiskey that destroys you; theirs no harm in ALL the rest.

If wars were fought with words Ireland would be ruling the world.

The problem with some people is that when they are not drunk, they're sober.

May you live all the days of your life.

Here's to Eileen O'Harra.
For her life it held no terror. Born a virgin.
Died a virgin. No runs,
no hits, no errors

What is Irish diplomacy?
It's the ability to tell a man to go to hell, so that he will look forward to making the trip.

As you slide down the banister of life, may the splinters never point the wrong way.

Thanks to Ken Morton

Our exchange students are planning on selling (4) Sable' Breton for \$10 at this week's meeting. Bring money to help support them, please.

In two weeks we (March 28th) we will meet at the Presbyterian Church. The week after that, we have a field trip planned to the Baldwin hotel led by Todd Kepple. Stay tuned to this channel for more news and updates.

For anyone that has had the misfortune of having to work with DAC-DB (the Rotary site that has our calendar and houses the templates for bulletins) it becomes very apparent that it was devised by evil, geek-like people that obviously hate Rotarians. It is ridiculously hard to use, and I have never met anyone that says they like it. Guy Jakabowski made a comment that his birthday is never in the bulletin. Upon investigation, it was discovered that his birthday is posted as March 17, which is correct. I have no idea why the communist program won't recognize his birthday and instead of spending countless hours (and untold frustration) I thought I'd just tell y'all his birthday is on the 17th of this month.

HAPPY BIRTHDAY to ALL MARCH BIRTHDAYS IF YOU'RE LISTED OR NOT!!!

There is hope there will be a hard copy roster coming out this summer. This is handy to have if you're not around a computer or can't access it for some reason. It also preserves a hard copy so that future Rotarians can see who was in our club at any given time. As PE Matt stated last week, we need some new pictures. Some of them look like high school graduation pictures and maybe a more "updated" version will help our members more accurately. If you don't have a picture or yours is old or not very flattering, contact Matt or Jim Witt, and he will get you set up with something a little more current.

The program committee meets every other Monday at noon at Sergios. The next meeting will be March 18th. If you have an idea for a program or just want to hear about what's going on, head on down there!
