get exposure for one of the many ways Rotary
serves our community. If you do plan to bring
guests, please let Jim Hackett know so we can give

I went to buy some camo pants but couldn't find any.

I failed math so many times at school, I can't even count.

I used to have a handle on life, but then it broke.

I was wondering why the frisbee kept getting bigger and bigger, but then it hit me.

I heard there were a bunch of break-ins over at the car park. That is wrong on so many levels.

I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.

The problem with kleptomaniacs is that they always take things literally.

I can't believe I got fired from the calendar factory. All I did was take

a day off.

Reminder: You have until June 30th to make a donation to the Paul Harris Foundation and have it matched up to 1000 club PHF credits (1 credit for every dollar donated) to get you to the next level. We will have another award ceremony prior to the end of June. Thanks to all who have donated! We have had a great response.

Thanks to all who completed the club survey. We had close to a 70% member response. Those of you who expressed interest in serving on a committee will be contacted by the Committee Chair by mid-May to provide additional information. Your involvement will assuredly benefit our club and will be personally rewarding for yourself.
