Is your member profile correct?

It's a good idea to periodically check your member profile to make sure the information is correct and up-to-date. For example, if your email address isn't current, you won't be getting this newsletter in your in-box every Tuesday morning.

To review your member information, you'll need to log in to the Rotary website - www.dacdb.com (you'll need your member number and club number, which is 351).

- Select the "My Data" tab
- Click "Edit Member" (menu on the left)
- Select "Contact" tab (or any tab that needs to be reviewed/edited)
- Click on the pencil icon next to the information that needs to be edited (i.e., emails, mailing address, etc.)
- Edit the information and click "Save"

SERVICE Above Self

If anyone knows of other needs that Elaine can help coordinate volunteers for, or an idea for a service project, please reach out to her at (541) 405-5989 or elainemtimm@gmail.com.
