This week's program

This week's speaker is Don McBride, who will provide an update on ShelterBox.

ShelterBox was founded in 2000 in the town of Helston, Cornwall, UK by Rotarian and former Royal Navy Search and Rescue Diver Tom Henderson, OBE, who conceived the idea of "a disaster relief kit for a family, contained in a box for fast and easy global deployment." That same year, the Rotary Club of Helston-Lizard adopted it as its Millennium Project.

ShelterBox has been Rotary International's Project Partner in Disaster Relief since 2012. The partnership extends far beyond financial support - around 1,000 Rotary members are involved in ShelterBox as volunteers, staff or response team members. Rotary clubs worldwide offer practical assistance to help ShelterBox reach more families after disaster or conflict.

Next week's program

Next week's speaker will be Dr. Burke Hales, professor of biogeochemical oceanography at Oregon State University.

Next week: Business Meeting

Next week will be our monthly business meeting.

If you have a birthday coming up in October, don't forget to bring your birthday auction item.
