### This week's program

Danielle Jarkowsky, Business & Industry Outreach & Equity Specialist for the Mid-Valley STEM-CTE Hub, will be this week's speaker.

The Mid-Valley STEM-CTE Hub works in Linn and Benton counties to create and elevate STEM (Science, Technology, Engineering and Mathematics) and CTE (Career and Technical Education) opportunities throughout the region. Working in partnership with educators, industry, families, students, nonprofits, and community-based organizations, they promote opportunities for students to develop the fundamental STEM & CTE-enabled skills and mindsets necessary to:

- Become creative life-long learners who can adapt to changing social & economic conditions;
- Contribute to an increasingly complex & technologically rich global society;
- Address high-demand, competitive workforce & industry needs.

---

### Next week's program

Next week Dr. Christopher Dunn, assistant professor at OSU's Department of Forest Engineering, Resources & Management, will give a presentation about wildfires.

---

### Junior Rotarians

#### October

Autumn Borrueel - Lebanon High School  
Abigail Wolgamott - East Linn Christian Academy
