This Week's Meeting

While President Paul Spain is still on his European tour, Board Member Bruce Englund will be directing this week's meeting. We welcome guest speakers **Judy Balint and Kenady Wilson** from the **Children's Museum of Central Oregon**. Their mission envisions a Central Oregon community where all children have access to hands-on learning and play that enriches their development, while inspiring curiosity and creativity through hands-on learning. *To ensure an accurate lunch count, respond to rotaryredmond@gmail.com if you plan to attend and indicate if you will be bringing a guest. Thanks.*

GREETERS: Clifford Evelyn - Marv Kaplan - Joe Kosanovic

A 5th Thursday Halloween Social

Our 5th Thursday this month falls on **October 31, Halloween**. We will still meet at Juniper for a noon meeting, but things will appear very, very different. The Social Committee is planning an hour of fun, with games, music, and a little magic. *Costumes are encouraged.*

Note from Spike Biggers: Karl Kment is planning to perform for our Halloween Social, however his accordion is in need of some minor repair by a technician in Seattle. If anyone is driving to Seattle in the next week or two, Karl would like to send his accordion to get a tune up. It is a \$10,000 instrument, so requires TLC. Karl trusts Rotarians with his child (accordion). The repair can likely be done in the same day. *If you are planning to go to Seattle in that time frame, please let Spike know ASAP.*

Hurricane Helene Relief Fund

A fund has been established where those who would like to assist recovery efforts by making a donation can do so via online payment, mailed check, or wire transfer. Information available to make a [donation](#). Read the [letter](#) from **Daniel C. Himelspach**, Rotary International Director.

You're Invited

Scott Nordquist, VP of Resource Development for **Bend-Redmond Habitat for Humanity** invites you to a home dedication ceremony celebrating 7 new Habitat homeowners on **October 25th**. [SEE POSTER](#)
