This Week - Speaker Change

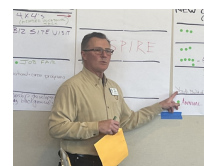

This week's luncheon meeting will feature The Entrepreneurial Ear - Gary Einhorn, business coach to small and medium size entrepreneurs. Gary has a private practice in Redmond. Please reply to: redmondrotary@gmail.com if you are attending and let us know if you plan to invite a guest.

Greeters this Week: Paul Spain, Clifford Evelyn, Lauren Lebien

Visioning Part 1

With a busy Rotary schedule ahead, the Board decided to postpone formal club visioning's three-year plan until the fall. Our last club visioning meeting was five years ago when there were 44 members. We're now classified in our District as a large club with 72 active members.

Last Thursday, President-Elect Paul Spain wanted to determine the pulse of membership with a mini-version of the visioning process. Summary results will be forthcoming. ([Learn about Visioning website](#))

A DDD FULL HOUSE

DDD Chair, Janice Burges, announced on Sunday that ticket sales were suspended due to selling out all the tickers. The "Enchanted Forest" will be entertaining Dads and Daughters starting at 6:00 PM this Saturday. Volunteers are encouraged to wear name badges, Rotary aprons and t-shirts. The girls aged K-8 will be dressed to impress while enjoying a very memorable evening. Let the FUN begin!!

Rotary Club of Redmond - Daddy Daughter Dance

SOLD OUT

Enchanted Forest

Sorry, no tickets sold at the door. We're excited to see everybody this Saturday.

District 5110 Conference in Coos Bay

Join District Governor Jim Polk and Rotarians from all around District 5110 for the Annual District Conference. This year's theme is to "Create Hope in the World". Over the weekend you'll hear a keynote from Amy Wolff, founder of the Don't Give Up Movement, Coquille Tribal Chairman Brenda Meade, past Philippines GSE Laurence Soteo and we'll be joined by the Rotary International President's Representative, PDG Margaret Walton from District 7170 in Ontario over the three days of fellowship. We look forward to seeing you in May! Registration on District calendar in DACdb.
