This Week

This week's luncheon meeting will feature member Rotarian Lauren Lebien discussing Hospice of Redmond. Their mission is to provide the highest level of compassionate care and bereavement services in Central Oregon.

Please reply to: redmondrotary@gmail.com if you are attending and let us know if you plan to invite a guest.

GREETERS: Kever Henry - Darla Naugher - Jerry Wheeler

Storage Improvement

Our current storage locker was getting a bit cramped, so we opted for a slight monthly increase to better organize our service projects with other club equipment and material. Marv led the team to move everything out of the old and into the new last Saturday. Well done.

Celebrating Birthdays

Once again, President-Elect Paul Spain provided the monthly birthday-candle-cupcakes and gifts to celebrate member birthdays. John Meyer leads the group in a Birthday song with a *BOOM - CHING - CHA CHA CHA* - Happy Birthday !!!

Gift of Literacy Project

Gift of Literacy Project – 2024
Rotary  Club of Redmond

This service project ran like a well-oiled-machine on Sunday. Thanks to Co-Chairs Nick Mausen and Tara Messner, with continued assistance from Marv Kaplin. Watch these Rotarians and guests having FUN! [VIDEO](#)

A rare event: The Elipse

Anybody see the partial solar eclipse yesterday? I sent my nine pair of 2017 eclipse-sunglasses to my son in Pittsburgh. Apparently, it was a bit cloudy in the East to view the total eclipse. Here's my eclipse [VIDEO](#) from 2017 when we witnessed this extraordinary event on the Ridge in Eagle Crest. (Bonus segment featuring a goose with maternal instincts.)
