## A Note of Thanks

**From District 5110 Vision Committee Chair, Gerry Kosanovic:**

*I want to thank Club President Paul Spain and the members of the Rotary Club of Redmond who participated in the Visioning event on Saturday, September 21st. This group, representing over 227 years of combined Rotary experience, dedicated four hours of their time to help shape the future of your club.*

*During the session, participants focused on several key areas vital to your club's growth and success: increasing impact, engaging members, expanding reach, and adapting to change. Their dedication and insight were instrumental in finding consensus on a shared vision for the future.*

*This was the **first step in a strategic planning process**, and in the days ahead, you will continue to build on the leadership provided by this group. Your active participation and that of your Board of Directors will be crucial in bringing these ideas to life and developing a **three-year Action Plan** of continuity for future club activities.*

*Thank you for your continued commitment to your club and its promise of fulfilling Rotary International's mission of humanitarian work.*
