On Monday, August 26, North Coast Rotarians will join with Lost Coast Brewery to invite all who want to share a fun Humboldt afternoon to support, enjoy, and savor Pints for Polio.

The name of the event pretty much says it all, say local Rotarians. On Monday, 5:00 to 7:00 PM at the Lost Coast Brewery Taproom (1600 Sunset Drive in Eureka), guests will enjoy lawn games, ice cream, root beer and, of course, Lost Coast Brewery brews.

Each pint sold will provide \$1 to support Polio Plus, a Rotary global health initiative that, for almost 40 years, has improved lives for millions throughout the world. Since 1985, Rotarians have contributed more than \$2.5 billion to the Polio Plus Project which has vaccinated more than 2.5 million children in 122 countries.

Many Rotarians volunteer their time. Most Rotarians contribute their money. All Rotary clubs support, in one way or another, this signature Rotary project, say event organizers.

Rotary presidents from the Redwood Region Rotary clubs: Eureka, Southwest Eureka, Old Town Eureka, Arcata, Arcata Sunrise, Mad

River, Fortuna, Fortuna Sunrise, Ferndale, and Garberville” invite friends and family, co-workers and colleagues, beer-lovers and ice cream fans to attend...and to make lives better by enjoying a good time for a great cause.
