ROTOGRAM 6/1/2022

PRE MEETING – a quiet but quality audience. Set up went smoothly. Oh, and just because I was in the TV business for almost 30 years does not mean I know how to set up the A/V. A common misconception. My role in TV was to say, “Hey, let’s do lunch.”

Meeting called to order by Prez Laura Sammel @ 12:10p
Invocation: Gre Scott.

Pledge: Jeff W. was very inclusive on who would join him in reciting the pledge. Even the Romans were included.

GUESTS: no guests, too hot.

SUNSHINE REPORT: Beth “Happy Wednesday” Havrilla

Popping out day – Duane (6/1); Tom O. (6/3); spouse (assuming Brock) Joanie Falkenberg (6/1)
Member anniversary: Melissa Fulton 26 years. May have been a birthday. Was not really clear on that.

Henny “Bruce” Youngman told a joke. Apparently Bruce uses convicts to do his landscaping. He is missing a file and shovel.

DETECTIVE: Faith “Ms. Rotary”

- **Marty for suggesting there is a micro-climate in his vehicle. Passed the fine to Beth. That is why you do not make eye contact with the person getting fined.**
- **Elizabeth Davis, former Ms. Lake County, made it to the top 10 in the Ms CA follow-up. She showed all of us how to properly exit a Rotary meeting.**
- **Jeff W. for not showing the love to Faith after she recommended business. Love'em and leave'em Warrenburg.**
- **Beth is adding another rev stream to her multitasking. She is available for yardwork.**
- **Faith closed with fining anyone not wearing a pin. I now have a nipple piercing using my rotary pin. Never without.**

Impromptu recognition of a few of us for setting up everything. Pretty simple task yet we crave those pats on the back.

GUEST SPEAKER: Kathy Lawrence, CA Mentor Network program, serving adults with disability's

- This is an alternative living situation for adults with disability. Vs group home.
- Mentors providing space in their home are paid a tax free stipend of \$1500+.
- Not a non-profit so they do not suffer annual budget cuts.
- Started in Boston using the Foster Care system as a template. Have evolved since into their own structure.
- Local office for Lake County and Mendocino is in Lakeport.
- No outsourcing, so they can make sure they offer quality care.
- 4 training sessions for a mentor to be certified.
- Mentor provides a furnished bedroom; supervises medication; drives them to dr appts. The individual goes to a M-F all day program. They are picked up at the house.
- If an individual refers a mentor and they place an individual in that house they receive \$250 referral fee.
- Mentors are considered independent contractors. Suggested this is a tax free income so no impact to SS.
- No time limit on how long they stay. Mentioned the low end is usually 2- yrs.
- Currently 15 people housed in Lake County.
