So proud of Marie. Went back to school and got her bachelors in music at 45!

Became a diva in 2012...a few years later she took over...and really became a diva. She has raised the bar with musical theatre in Lake County.

Marie's comments:

- Anyone can sing. Just need to learn what is wrong if not hitting the notes.
- Don't ever tell a child (or anyone) they "can't" do something.
- If voice is strained rest and water is the best cure. If continues check with your doctor.
- STOP SCREAMING!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
- Nodes are callouses on the vocal cords. Damaged vocal cords is for a lifetime.
- Hormones create a great range in your singing.
