Speaker: Tom Lewis with California CareForce

California CareForce provides free dental and vision exams and treatment at different cities around the state. They will be in Eureka on July 12th and 13th at the Adomi Center. Due to the lack of providers, and the fact

that many people don't have vision or dental insurance, this service (absolutely free) is a God-send for many. No insurance cards or ID needed, no questions asked. All they want to do is help those who need help. This will be a first come first served basis. All you must provide is your first name.

Volunteers needed: General non-medical opportunities include registration, triage, escorting patients to the correct line, and more – If you can help, please sign up at www.californiacareforce.org.
