## Newly Reformed Rotaract Club of Menlo College

By LaShonda L Kennedy on Friday, April 21, 2023

Rotarian LaShonda is thrilled to announce the formation of the Rotaract Club of Menlo College. LaShonda will serve as the club's advisor. With the support and guidance of DG Gary Chow and many others, the Rotaract Club of Menlo College is proud to join the global community of more than 1.4 million people of action dedicated to building a better world! Rotaract is an organization of young adults who take action through community and

international service, learn leadership skills, and participate in professional development.

The first Rotaract General Meeting was held at Menlo College on April 19, 2023. It was a wonderful chance to meet in person and talk about upcoming tasks and activities. The club has been actively supporting the Menlo College Food Pantry and is ready to serve at the college blood drive next month.

Congratulations to the club's charter members, and a special thanks to the Rotary Club of Menlo Park for agreeing to sponsor the club and for supporting the team in re-establishing the Rotaract Club of Menlo College. The Rotary club Redwood City is excited to partner with the Rotary Club of Menlo Park and the Rotaract Club of Menlo College for future projects.
