October 7 & 14: Mental Health Awareness Walks (Marin & San Mateo County)

District 5150 members are forming a Rotary Action Group focused on Mental Health. Their vision is to create and support opportunities for every Rotary member, adult, and child in our District area to improve their mental health and wellness so they can lead a healthy, happy, and productive life. One of their first actions is to support local NAMI Walks events in [Marin \(October 7\)](#) and [San Mateo \(October 14\)](#) counties. The National Alliance on Mental Illness (NAMI) has organized walk-a-thons throughout the United States to raise awareness about mental illness in our families and communities. The funds raised support the continued development of the mental health healing community nationwide.
