Rebuilding Together 2023

By Sarah LaTorra on Saturday, April 29, 2023

On Saturday, April 29th, club members and friends of the Rotary Club of Redwood City joined BKF Engineers to beautify and improve a 90-year-old woman's home. Volunteers made minor repairs, landscaped the yard, trimmed bushes, conducted light carpentry, removed debris and did a general clean up of the property. The homeowner was very grateful for all the work completed by volunteers.
