Your District Governor's Message

By John McAfee on Friday, May 3, 2019

This month we celebrate Rotary Youth Services. Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education, and learn the value of service. Whether you support Rotaract clubs, Interact clubs, Rotary Youth Leadership Awards (RYLA), Rotary Youth Exchange or New Generations Service Exchange, you are providing opportunities for the growth and development of our future leaders.

[Watch this video](#) to view a recap of the 2019 RYLA experience from the eyes of RYLA alumni now serving as counselors.

Don't miss some of our district events taking place this month:

- **May 5: Walk, Run or Ride to End Polio at Ryder Park in San Mateo.** [Download](#) your pledge form and join us to raise funds and awareness to eradicate Polio from the face of the earth. The recent outbreaks of measles remind us that continued vaccination and monitoring efforts are crucial to End Polio Now. And remember: every dollar you raise is matched 2:1 by the Gates Foundation!
- **May 17-19: Rotary 4-Way Fest (District Conference) at the Peppermill Resort in Reno, Nevada.** We're just two weeks away from joining Districts 5130, 5160, and 5190 for a truly inspirational weekend with world class keynote speakers, a hands-on service project, a myriad of breakout workshops, fun charitable events, pre-conference activities, music, dancing, and the list goes on. You do not want to miss this event! Registration closes this Sunday night, May 5. [Register at Rotary4WayFest.com](#)

Congratulations to the newly formed ROTARACT Club of San Francisco. [Follow this club on Facebook](#) to stay updated on their activities.

Finally, hearty congratulations to our District Rotarian of the Month for the month of April, [Gityjoon Hebel](#) with the Rotary Club of San Francisco Greater Mission.

Thank you for all that you do for your community and around the world through your Rotary service.
