Reubens for Rotary - Upcoming Fundraising Event

By John McAfee on Monday, August 12, 2019

Please join the San Carlos Rotary for Reubens for Rotary 2019. Now in our fourth year, this is our all-out artisanal extravaganza featuring everything gourmet for the benefit of Rotary's projects abroad and right here in town. Already aging away are wheels of cheeses (lemon vodka goat, blue gouda, bloomy robiola, taleggio, jarlsberg, and coastal blue), spicy and fennel coppa, kielbasa, and tuscan salami. I've discovered sourdough this year, and so we'll have boules and baskets and buns of chewy, tangy breads. We'll of course have the best Reubens this side of the Danube.

Thank you for all who have come in the past. Through our party and the power of Rotary, we've raised over \$200,000 to build an aqueduct in the Berber villages of Morocco's High Atlas Mountains where I previously served in the Peace Corps. We just received formal approval from Rotary International, and fingers crossed, construction will be underway by the time of the party. I returned from the village in April for final planning - check out our project page with photos and details: <http://sancarlosrotary.org/intl-project/>. Further fundraising will go to the next phase of the aqueduct.

Please join San Carlos Rotary for this one-of-a-kind party to benefit Rotary's global and local projects. Tickets are \$80, available online at the link below (or mail a check to Rotary Club of San Carlos, P.O. Box 515, San Carlos CA 94070): <https://www.brownpapertickets.com/event/4308528>
