This year our first event, Mentor Program Kickoff/Training, will take place on Thursday October 17 from 10:25am to 12:10pm at Sequoia High School. The purpose of the event is to provide exposure to student-related issues such as schooling, home life, the positive impact of mentoring, and communication skills between Mentors and Mentees. We would like, if possible, for all Mentors to attend this event. We will, however, tape this event and post it to the mentor website to view if you cannot attend.

Additionally, we are excited to announce our first **Mentor Mixer on Wednesday, 9/25 from 5:30-7:30pm** at the Portobello Grill, Outdoor patio. The complimentary menu will be: Bruschetta, Chicken tenders, salad, Cajun shrimp pasta and veggie pasta and chicken piccata, roasted potatoes and sautéed vegetables. Note beverage purchase is not hosted, though Portobello Grill offers full bar with great selection of mixed alcoholic drinks, beer, wine and soft drinks.

Come celebrate the beginning to another great mentor season, meet other mentors, and perhaps grab a friend or colleague that may be interested in joining too!

**Please RSVP for the optional but awesome Mentor Mixer on 9/25 at Portobello Grill here:**

We are always looking for more great Mentors -- so please help us recruit colleagues, friends, and family. We are happy to speak with them to explain our program. We are always interested in visiting workplaces with students to share what our program is all about. Please consider having us in for a lunchtime session at your place of employment!

We look forward to working with you this school year. Please do not hesitate to call with your questions or concerns. Contact Greg Schmid at: [gschmid@seq.org](mailto:gschmid@seq.org) or Victoria Mitchell @ [vmitchell@seq.org](mailto:vmitchell@seq.org).
