By Milanka Schneiderman on Wednesday, August 3, 2022

On October 27th, AUSD and the Antioch Rotary will host approximately 700 8th grade girls for the “Day of Empowering Girls” program that will be held at the Contra Costa County Fairgrounds. The day will focus on the careers and experience of 5 amazing, local, successful women (in each building) followed by a Q & A session. After the session with the panelists, the students will do some team building exercises and hear from a motivational speaker, Tracie Berry McGhee. We'll end the day with an on-site lunch and lots of inspiration for the development of their future careers. We'll need volunteers to help with the team building exercises if you would like to volunteer contact Sal or Milanka.
