## This Week's Speaker, Heather Schomaker

For over two decades, the Wheelchair Foundation has been delivering mobility, freedom, dignity and hope one wheelchair at a time. The Wheelchair Foundation is a nonprofit organization leading an international effort to create awareness of the needs and abilities of people with physical disabilities, to promote the joy of giving, create global friendship, and to deliver a wheelchair to every child, teen and adult in the world who needs one, but cannot afford one.

Heather Schomaker is Director of Community Outreach and will share remarkable stories of what just one wheelchair can do to change lives. In 2009, the vision of the Wheelchair Foundation expanded to develop a school program called From the Heart. Through this program, Heather helps educators show students that we are all different in some ways, but we all have the same needs for respect, acceptance, inclusion and community.

Heather enjoys gardening, baking and outdoor adventures in her spare time.

## President Elect Tom Jenkins Graduates from PETS (President Elect Training)

## Day of Golf, May 5th, 2023

Wednesday, January 11, 2023

This year's golf tournament will be May 5th, 2023. Our President-Elect Tom Jenkins will be in charge of this year's tournament! We'll be looking for sponsors, foursomes, and raffle prizes; we'll expect everyone to volunteer and buy some raffle tickets too. Hilda will be looking for helping with raffle prizes. The golf tournament is a very important event because it is our biggest fundraiser. If we all do a little, we can all do a lot. Each Rotarian needs to sell or buy \$125 of raffle tickets. All of the money raised goes into funding Tom Jenkins' presidential year starting July 2023.
