PROGRAM

Pirana Pool

Last Week we held our regular meeting back at the PH Community Center at which Prez Michael presided.

- Our speakers were Gary Parkhurst and

Mark Brauer with the Mount Diablo Interpretive Association (MDIA)

- Since 1974 MDIA has been promoting the educational and interpretive activities of Mount Diablo State Park

Mitchell Canyon attracts 35,000 visitors per year. MDIA, an official Park partner, is leading a campaign to raise \$3 million to build a new education center in Mitchell Canyon.

The new education center complex will educate park visitors about the natural and multicultural history of the mountain, communicate safety information, provide access for visitors with disabilities to outdoor exhibits and the visitor center, and create multiple spaces to accommodate K-12 classes and interpretive presentations.
