Attention, parade enthusiasts!

Last week, our Rotarians unleashed their inner marching band on the Pleasant Hill July 4 Parade.

Some strutted their stuff with our official entry, while others went rogue, infiltrating other organizations' floats like undercover agents of fun. It was like a game of "Where's Waldo?"

but with Rotarians popping up everywhere, spreading cheer and possibly confusion. Who knew community service could involve so much sneaking around and parade-hopping?

Next year, we might need to issue "Rotarian spotting" bingo cards to the spectators!

THE HISTORY OF THE ROTARY BELL

President Diane taps the Rotary Bell with the gavel and we all stop, we stand and we quiet down. Did you ever wonder how the tradition of the Rotary Bell began?

In 1922, U.S. Rotarians organized an attendance contest to see which club could increase their attendance at meetings the most.

The challenge was that the losing clubs would join in giving the winning club a prize.

The Rotary Club of New York City was declared the winner and they were awarded as a prize, a bell from a popular patrol boat, which was placed on a block of wood that came from HMS "Victory," Admiral Nelson's vessel at the battle of Trafalgar.

Since then, the bell used in Rotary meetings started to represent, as on the ships, order, discipline and the time to guide us through the weekly hour and a half meetings. The bell informs us with its sound the beginning of the meeting at which time people present should stand in order to salute the US and Rotary flags.

The sounding of the bell concludes meetings and is also rung at somber times.
