## Today's Presenter

**Bob Macauley**

**Oklahoma City Bombing 25th Anniversary**

Bob Macauley is a 30 year resident of Vacaville with his wife, Ann, and worked for 18 years as an employee of the City. During that time, he was a volunteer search and rescue dog handler with the Solano County sheriff's office, with Yosemite Search Dogs, the National Ski Patrol, and with the Federal Emergency Management Agency (FEMA).

## Annual Service @ May Fair

Children throughout Solano County will converge at the May Fair for a day of fun!

Rotarians are needed to assist the kids in having a day to remember. Each child will be assigned a volunteer to help them enjoy rides, animals and other fair fun.

Smiles and memories are guaranteed. Contact Bill Seiden to Volunteer or for additional information.

## Do You Know...Andy Suikhonen?

I joined Rotary in August of 1984, I was sponsored by Jack Weir (who I believe is currently our oldest member). Jack is also the man that introduced me to my wife, Denise.

I believe, hands down, my favorite service project is serving at the annual Dixon May Fair with the challenged children.

I have had many positions in the club. When I first joined the club was receiving notices from our friends at the IRS and I filed two exempt organization tax returns (and I have been preparing them ever since). I was in charge of the bulletin, Vocational Service Director and Club Secretary for two years. I was President Elect then President (1991/1992). I was also District Treasurer for the year 1992/1993.

For years I volunteered to work at the golf tournaments but one day I realized the players may have been having more fun than I was. I took up golf (not ♦Good♦ golf, but ♦Fun♦ golf) and I have been seating a foursome for about twenty years.

My Vocation is CPA. I have interacted with hundreds of clients over three-plus decades and I believe

the Four-Way Test (at least three of the four) have kept me successful.

I continue with Rotary because I still believe we are a valuable asset to the community and beyond AND the friendships and comradery.

My direct family consist of my wife Denise and I, our one daughter Kristen, her husband Mike (a Disney Imagineer) and our almost three year old grandson ♦Teddy♦. My hobby continues to be golf.

### #EndPolio

Immunization saves millions of lives every year. Vaccination is one of the most successful and cost-effective health interventions. Yet outbreaks of diseases that vaccines could prevent continue to put children's health at risk throughout the world.

Rotary knows firsthand that #VaccinesWork. We've contributed more than \$1.9 billion and countless volunteer hours to protect more than 2.5 billion children from polio. Take action and help Rotary spread the word about the importance of vaccination during World Immunization Week, 24-30 April.

## New Bulletin Format

The Club's Bulletin is now formatted for digital presentation and will be disseminated weekly through Rotary's email service.

All of the information - stories, calendars and member information - is coalesced from *dacdb*, District 5160's database. Please review your personal record to ensure it's accurate and complete.

Email story or event information to [Becky Craig](#). All underlined, blue ink writings are links that may be clicked to access information or to send a message.
