## This Week's Presenter

### Rick Stockton

Child of the 40's - Life of a Professional Pilot

Rick Stockton's Bio:

I grew up on or near an Air Force Base as my father was a Flight Engineer on the B-29, B-50, B-36 then the KC-97. I knew a lot about these planes from reading everything I could find. I think I surprised him a couple of times telling him things about the B-50 that were supposed to be secret. I read all about it in the Saturday Evening Post.

When I started working delivering newspapers I bought every plastic model available. When we moved to McGill A.F. Base I got into U-controls Radio controlled airplanes. I soloed my first airplane on my 17th birthday at Dow A.F. Base, Bangor, ME. In 1962 I was in Texas and watched a flight of OH-23 Army helicopters fly over our house. The next day I was in Ft. Worth talking to the Army recruiter. He told me I'd be a helicopter pilot in no time. He lied!

Instead, they made me a helicopter mechanic and sent me to Korea. I spent one year there and kept trying to get into the Warrant Officer program with no luck. Then to Ft Eustis, VA for CH-47 Chinook helicopter school then to Ft. Benning, GA until 1965. Within six weeks I was back in Korea as a civilian working on Army helicopters. I spent time all over Asia, then in 1967 I came back to the U.S. and went to flight school at Ardmore, OK. I picked up my Commercial SEL, Instrument and CFI. I then headed towards Ft. Worth and picked up my Helicopter Certificate and Airframe & Power plant rating. It was back overseas to Korea again. I taught at the Seoul Flying Club on weekends.

A year later, I was back in the U.S. and started flying at Flight Safety, Hayward, CA as a Flight Instructor in their 141 program. Two years later I started my own maintenance business, then Oakland Police Department offered me a job as a pilot, but I had to become a Police Officer. I was teaching part-time out of the Hayward airport for Fremont Flyers almost every day. In 1982, I took a job with East Bay Regional Parks and started flying their Hughes 500. In 1986 I left and went to Las Vegas and started flying a Piper PA-31 from Las Vegas to the Grand Canyon so I could build my multi-engine time. In September of that year I headed to Yellow Stone to fight fires in a Sikorsky S-64 helicopter (twin engine). After the fire season I started flying a Piper PA-31 carrying cargo for DHL while working as a mechanic between the morning and evening flights. In 1988 I went to work for Eastern Airlines as a Co-pilot on the Boeing 727 until the airline closed.

Back in the Bay Area, I worked five part-time jobs, flying an airplane, a helicopter, teaching at a local college, doing annual inspections and acting as Chief Pilot for a helicopter company. I also worked with Professional Instrument Course. I'd go to a person's home and give them ten days of

instruction to get their instrument certificate. 1993 found me in Pago Pago flying a helicopter off the deck of Tuna Boat. I then went to Alaska and flew for the summer then back to Pago Pago. I was told by a couple of friends that the FAA would be hiring so I stayed on shore in the fall of 1995 and joined the FAA in May as a Federal Safety Inspector. After retirement, I joined WINGS Flight School as Assistance Chief and ultimately Chief instructor a couple of years ago.

**The Rotary Foundation - Club Activity**

The mission of The Rotary Foundation of Rotary International ("TRF") is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Its primary project is to eradicate polio worldwide. Rotarians may contribute to TRF through one-time gifts or ongoing by direct deposit. Every Rotarian is

encouraged to donate an amount Every Year. For each \$1,000 donated over any period of time, a Rotarian is designated a Paul Harris Fellow ("PHF", with each subsequent PHF identified with +#). Additionally, a Rotarian who donates \$1,000 annually is designated a Paul Harris Society Member. A Benefactor is a Rotarian who has included TRF in their estate planning. Contact [Bill Seiden](#), Foundation Chair, to learn more.
