In 2002, Habitat for Humanity absorbed a fledgling affiliate covering Napa County, and in 2005, officially changed its name to Solano-Napa Habitat for Humanity.

Habitat for Humanity follows the traditional model of building single-family homes from the ground up in partnership with local low-income families, so they can be sold to those families with affordable financing. However, the financial crisis in 2008 and 2009 changed that model. Instead of simply adding inventory to markets with a surplus of inventory, Habitat for

Humanity also began applying its Partnership Housing model to repairing houses, so low-income homeowners could age in place, or so that vacant homes could be made available at an affordable price to low-income households. At about the same time, it also began exploring the opportunity to open a Habitat ReStore.

In 2011, Habitat for Humanity opened its own Habitat ReStore in Fairfield, and that has facilitated a significant amount of growth for the affiliate. Over the past decade, they have continued to build houses from the ground up in partnership with low-income families, performed critical repairs on existing homes and created an innovative solution to a local problem for homeless veterans. In collaboration with other non-profit partners, Habitat for Humanity has built two six-bedroom/three-bathroom houses in Dixon and Rio Vista, which have become safe, decent, affordable, and permanent housing for twelve formerly homeless veterans.

Over the last five years, through a partnership with The Home Depot Foundation, the Tug McGraw Foundation, CalVet, and the Center for Volunteer and Nonprofit Leadership, Habitat for Humanity has led an annual project to improve the facilities for the more than 800 residents of the Yountville Veterans Home in Napa.

With the dedication of its second Veterans; Residence in Rio Vista in 2021, Habitat for Humanity completed its 50th house build or repair project, and with the selection of the three Partner Families for its Woolner Build in Fairfield, Habitat for Humanity is in the process of serving three more local families in need of decent affordable housing. The Woolner Build is the first in a series of multi-home projects in the development pipeline.

### The Rotary Foundation - Club Activity

The mission of The Rotary Foundation of Rotary International ("TRF") is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. It's primary project is to eradicate polio worldwide. Rotarians may contribute to TRF through one-time gifts or ongoing by direct deposit. Every Rotarian is encouraged to donate an amount Every Year. For each \$1,000 donated over any period of time, a Rotarian is designated a Paul Harris Fellow ("PHF", with each subsequent PHF identified with +#). Additionally, a Rotarian who donates \$1,000 annually is designated a Paul Harris Society Member. A Benefactor is a Rotarian who has included TRF in their estate planning. Contact [Brian Conner](#), Foundation Chair, to learn more.
