## Enloe Breast Care Center

By Sean Isom on Thursday, October 19, 2023

**President Nancy** has lost her bell, her gavel and now her sound effects inside her phone. What is left? She invited Scott Dilg to the front for our invocation, who shared thoughts on harvest and how our community appreciates this time of year. She then hit him with a bell for not having a picture of himself on DACdb.

Guests this morning included Ken Dixon of Chico Noon, Peter Melton of the Melton Clan and Jennifer Sanchez of Enloe, our speaker this morning.

## Announcements & Comments

- Nancy shared a few updates:
  - She listed 7 birthdays in October. Those should be viewable on DACdb
  - Rotaversaries this month are Nick M and Neil Y.
  - She also shared a calendar of upcoming activities
- Next week's meeting will be dark as we will be Jason Smith's home off Caribbean.
- Phil W shared the program calendar is quite full, but he is constantly accepting recommendations for future meetings.
- Phil also mentioned the our recent speaker David Bruhn has speaking opportunities that include multiple wine bottles as gifts (unlike Rotary's donated book in your name?).
- Forest Melton shared that his brother's birthday was today and that he had a brain f@rt last night. He needs a couple of beer pourers on Saturday.
- Randy K reminded us to save the date 11-11 as a work day to move just 10yds of bark, stating if we start at 8:30, we should be done by 10:30...really?
- A Salvation Army Bell Ringing opportunity will be available on 12/16 and 12/23 from about 10 to 4:00. More details to come, especially the location.

## Recognitions

- **Randy K** was seen in a picture with the missing gavel in his hand. When asked about the location of the gavel, under the Four-Way-Test, Randy pulled from the Pirate's Code stating they were more like 'Guildlines'.
- **Nancy** shared pictures of her Glamping trip in Lake County. She offered 3 bells for herself.
- **Randy L** returned from Greece and Turkey, where he visited many great cities, including Troy and Istanbul. He brought back olive oil gifts for Nancy, but I heard and accusation that it was purchased locally.
- **Mark Murgia** spent 2 weeks in Paris. He also visited Normandy and London on his 10th anniversary trip even though he was married like 12 years ago...1 Bell.

## Program

Jen Sanchez of Enloe Comprehensive Breast Care Center was our program today. Jen shared that 1 in 8 women will develop breast cancer, yet survival rates are increasing. She shared some of the risk factors including older age, high BMI, and those taking estrogen + progesterone treatments increase your chances. She also shared how survival rates are vastly increased with early detection and the success of screening.

## In Closing

President Nancy thanked everyone for their participation.

Thanks To:

Check In: Forrest Melton and Gary Podesta  
Greeters: Daniel DeCaires and Generaln Sheridan

## Events/Speakers

October 26th
