Club of Chico Sunrise

International Rotary and Panama

By Sean Isom on Thursday, October 20, 2022

President John opened the meeting, Inviting new member Desiree Gonzalez up to the front. Desiree shared the nice poem [If from Runyard Kipling](#).

Our only guest today was Oden Nielsen from Chico High. He shared his experience at Rotary's Camp Royal, where he most appreciated the bonding lessons and activities at the leadership camp.

Announcements & Comments

- October 27th is our Halloween Social. The Murder-Mystery will be set in a 1926 speakeasy at the Chico Air Museum. RSVP to Nancy or [at evite.com](#) and select what food you will be bringing. Wine and beer will be provided.
- Howard again shared that the Torres Shelter Empty Bowls event is on 11/3. There are seatings at 5:00 and 6:30. See Howard S for tickets, or if you just want to give money for the shelter.

Recognitions

- GERALYN S spent three weeks in Denver at her daughter's wedding. Its unlikely the wedding was much more than a day, the tree weeks was spent watching the couple's dog while they were on the honeymoon. Since GERALYN grew up in Denver, she got to spend time with some old young highschool friends. Big Benajamin.
- Dan B shared a photo of him playing catch and release in Montague near Yreka. While installing 5000 feet of barbed wire with friends, he also came upon a 3 pointed buck...more harvesting than hunting. Dan shared it was the cleanest shot he taken in all those years of chasing bucks. 3 bells.

Program

Carl O was joined by John C, Tanya L and Susie S. They shared a presentation from their trip to Panama in 2011. The team of Chicoans went down to the isthmus to see the status of a water project where we bought the PVC pipes to restore fresh water to an indigenous community in the rain forest a few miles south of the city and canal.

The group shared the importance of RI and the benefits that we can receive in doing international projects and meeting new people and cultures.
