Inspirational Thought

Our mind is a garden,

Our thoughts are the seed,

You can grow flowers,

Or you can grow weeds.

They are among a very special group of Rotarians throughout the world, all recognized for their devotion to the ideal of good will, peace and understanding. Their contributions to The Rotary Foundation make it possible to carry out programs that achieve beneficial changes in our world like improved living conditions, increased food production, better education, and brighter hopes for peace. It is a goal of Rotarians the world over, and one that Vera and Mike surely share.
