MDRR - Free E-Waste Recycling Event

Free E-Waste Recycling Event!

Oct 10, 2023 | Events

When: November 11, 2023 | 9 AM to 12 PM

Where: 1300 Loveridge Road, Pittsburg, CA 94565

Mt. Diablo Resource Recovery is proud to honor America Recycles Day® (ARD) with a Free E-Waste Recycling Drop-off Event on November 11, 2023.

Old computers, printers, televisions, cellphones, and other electronic (e-waste) items don't have to take up space in your home—they can be recycled with us for **FREE** during this special event!

ARD is a nationally recognized day dedicated to promoting and celebrating recycling in the United States. Held on and around November 15th, ARD aims to educate and encourage individuals to be more mindful of what they consume and recycle properly.

Acceptable + Non-acceptable List

No registration is required. Please consider donating electronics in good condition to a friend, family member, or a charitable organization. Posting online to groups like Craigslist, FreeCycle, or Facebook is a great alternative to rehome your working electronics.

Due to special handling and processing required by law, MDRR CANNOT accept items such as household hazardous waste, appliances, batteries, building and construction debris at this event. Vehicles with inappropriate material will be turned away.

Four-Way Test

THE FOUR-WAY TEST

Of the things we think, say or do:

first

Is it the **TRUTH**?

second

Is it **FAIR** to all concerned?

third

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

fourth

Will it be **BENEFICIAL** to all concerned?
