# March 20 Newsletter

March 20, 2020

## First Online COVID-19 Weekly Update

Greetings all Rotary Club of Livermore members, friends and guests! As previously announced, our Club has indefinitely suspended all in-person meetings in an effort to reduce the transmission of the Coronavirus to our Club members and the larger community. During this time, we will continue to publish the SPUR, our weekly online newsletter, with updates, messages from President Jay Davis, and resources that we hope will be valuable to our Club members during this difficult and unprecedented period. In the near future, we will also launch an online virtual meeting that members may attend in real-time, or attend asynchronously at a later time. This will be described in more detail in the Using Zoom to attend online RCoL weekly meetings section below.

## Spring Club Assembly presentation from President Jay

We hope you all received the email message from President Jay with the attached Spring Club Assembly presentation. If you did not, please contact Secretary David Rounds to make sure we have your correct email address and also for tips on how to prevent Rotary group email messages from inadvertently being directed to your spam folder by your email utility. President Jay's Assembly presentation is also available here: [\[insert ppt file or link to file\]](#)

## Resources to help you cope and manage during the COVID-19 pandemic

It's fair to state that none of us was or is fully prepared to deal with the many restrictions,

Kathy S. Coyle  
iPast President

Lee Denlinger  
Assistant Governor

## Events

No Events found

displacements, concerns and risks associated with the COVID-19 pandemic. We're all learning as we go. So let's learn together. Let's leverage the immense resourcefulness, humanity, dedication and heart of our Club members and friends to help each other and our community. If there was ever a time to practice Service above self, this would seem to be it.

So if you know of a Club member who needs some assistance, but is perhaps reluctant to ask for it, please reach out to President Jay and let him know. If you yourself need some help, PLEASE reach out and let us know how we can help. We have many Club members who have already expressed an interest in helping any Club members with shopping, pharmacy pick-ups, trips to the doctor, or just plain talking on the phone to help folks feel less isolated. Following the lead of our Canadian neighbors to the north, we are referring to these helpers as our COVID-19 Care-Mongers. We are ready and available to help.

We've also assembled some links below to help point you in the direction of other available resources during this time. If you know of another valuable resource not listed on the list below, please let us know so we can add it. Again, let's learn together.

## [Using Zoom to attend online weekly Club meetings](#)

The Club purchased a Zoom license this week that supports meetings of unlimited duration for up to 100 real-time meeting participants. Our goal is to hold online, real-time weekly meetings - starting as soon as Wednesday, March 25 - that many of our members can attend in real-time, if they choose to do so. We'll record these meetings using Zoom, and publish them here on the RCoL website for you to view whenever you like, just as Nile Runge has been doing for many years.

Some background on Zoom to get you up and running: Zoom is a super-easy-to-use online meeting platform. It has rapidly become the preferred method to conduct face-to-face meetings with participants who are spread all over the community, nation and world. Businesses use it. Universities use it. Non-profits use it. Government agencies use it. Family and book-clubs use it! Anyone can use it. Here are some brief video tutorials from Zoom to help get you started quickly and efficiently. We encourage all Club members to follow the simple instructions in these videos to download their own copy of the Zoom application on their desktop, laptop, iPad and/or phone. We think you'll be pleasantly surprised at how easy it is to get started.
