Halloween Social

Message from Our President

Happy **Rotary Foundation Month**! This month, Rotarians across the globe will be celebrating the impact Rotary clubs make in improving lives. At our lunch meeting on **November 6**, Jennifer Reed will report on one of San Leandro Rotary's international projects: **Faces of Hope**, a corrective surgery project for children in Guatemala with cleft palates. This project is just one of the many ways **your contribution to The Rotary Foundation is making a significant difference in the world.**

For every dollar you donate, **50%** comes back to the club to allocate to international and local projects of choice. The remaining 50% is used by The Rotary Foundation to fund other impactful projects. Moreover, we get a bonus match of 60 cents for global projects and 25 cents for local projects!

If you still need to make your contribution or pledge to the Annual Share Fund, please do so today! **Our club's goal is to raise \$15,000 for the Rotary Foundation this year.** If we all do a little, we will reach our goal! Visit <https://my.rotary.org/en/donate> to donate or pledge today!

Contact Jennifer - jreedsf@gmail.com

Many **THANKS** to **Kate Miller and her family** for opening their home to us for our October Halloween Social. Rotarians, family, and friends enjoyed a fun evening with great food, fun laughs, and wonderful company. And check out those costumes! Although there was no official costume contest, most creative costume (s) might have to go to Leah and Dave, or, should we say, Martha Stewart and Snoop Dog (dead, alas, but still and always fabulous).

BRING WARMTH to SAN LEANDRO

Stay tuned for an opportunity to donate a warm coat or blanket to help keep our San Leandro community warm.
