Speakers

Welcome

First, let me thank everyone for attending Eric's memorial service. It was great to see all the support and hear some pretty funny stories.

Wednesday is going to have a different format than most weeks. We are going to talk with Michael Klepin, our new CEO of Emanuel Medical Center. I say different format because Michael would like to hear from you all. It will be a Q&A session and a chance to get to know our new head of Emmanuel. We'll see you on Wednesday!
