Club Meeting

Turlock Sunrise
Latif's Restaurant
Wednesday at 07:00 AM

Welcome

Happy Weekend everyone! Finally some good weather to give our AC's a break. This week we will be going over the beer booth at the Fair this year along with discussing any ideas or improvements for the future. This is one of our major fundraisers for the club. Any and all input is always welcome to discuss! I'm excited to hear how successful the Hard Mountain Dew Baja Blast went. Nothing like targeted advertising towards Millennials! See you Wednesday.
