## Speakers

Hello everyone! For those of you that were at our last meeting, you'll notice that there is a scheduling change. For those who missed it, you're in for a treat! Our very own Yvonne Olsson-Souza-Goodall is going to present us with her travels to Africa! I've seen a preview of what she has to show us, and it's something you don't want to miss. Same place. Same time. We'll see you on Wednesday!
