10-25-2023
1 Year

Happy October (Why isn't it cold yet???)!

We have a great Opportunity for you this week (see what I did there?). As you know it's not easy to start a business, but it's even harder to grow and maintain that business. Monica will be here tell us how Opportunity Stanislaus is helping to foster a thriving economy for our county. We'll see you Wednesday!
