Club Meeting

Turlock Sunrise
Latif's Restaurant
Wednesday at 07:00 AM

Speakers

Welcome!

After last week's speaker, it only felt appropriate to keep the next group talking about the local economy. And I mean very local. Our very own Nino, Joseph, and Jason will be talking to us about the housing markets and what the forecast is looking like in the future. Is it still hot or will it be cooling down like our weather?! Ok, I'll stop with these awesome jokes. See you Wednesday!
