## Club of Turlock Sunrise

### Message from the President:

You may have noticed the events listed in this week's bulletin. I wanted to go into a little more detail as we need to get sign-ups soon. I will have sheets tomorrow for you to sign up. If you cannot make the meeting tomorrow or have any questions, please let me know via email so we can get you on the list. So here's what we have going on:

Salvation Army 28th Annual Kettle Kick-Off Tuesday, November 12th at the Grand Oak from 11:30am - 1:00pm

We have a table at this event and seats are still open. This is a real fun event as community members "solicit" for donations to start off the holiday season.
