Message from the President

The Herald of the Holidays came and visited me today. To the untrained eye, it may look like Gary Potter, but we all know what that means:

Turlock Downtown Christmas Parade

Friday, December 6th

4:15-4:30 pm - Meet in front of Turlock Auditorium

5:00pm - Parade line up begins

6:30pm - Parade begins

Yes, it's time for the annual Downtown Christmas Parade. It may seem like time is short to get this organized and you'd be right! December 6th is not that far away. So now here I am reaching out for volunteers. Feel free to email me back about your interest in helping and, just in case you are worried about forgetting, Gary will be calling members about volunteering as well. The Parade is a wonder if you've never been, and we are an integral part of its organization. Let's make this another special year!

Thanks Again,
Jesse Marchant
