### Bulletin for 11/21/22

**Monday, November 21, 2022**

No meeting today. Have a joyous Thanksgiving Thursday.

And we're in recess Nov. 28 as well. The board meets at Lisa's Clearsuites at noon. No social meeting this month.

We'll see everyone on Dec. 5.

#### Upcoming meetings:

Dec. 5 — Our speaker Jeff Jenner is a local vintner and author who's written a book about pairing food with local wines. (Lisa Craig arranged Jeff's date with us.)

Dec. 12 — Dave Rajkovich, President of the Stockton Maritime Museum, will tell us about the volunteers who are restoring the Korean War-era minesweeper USS Lucid and their plans for turning it into a major tourist attraction in Stockton. Let's ask how the fiery destruction of the Colberg Boatworks building might change their plans. (Marty Weybret arranged Dave's presentation.)

Dec. 19 — Christmas Party

Dec. 26 — No meeting. Merry Christmas.

Jan. 2 — No meeting. Happy New Year.

Jan. 9 — Lodi Police Chief Sierra Brucia will tell us about his training at the FBI Academy. (Pres. Lisa arranged the Chief's visit.)

Jan. 16 — Past International President Richard D. King will be pumping up the Rotary troops at a joint meeting. We'll meet at the Woodbridge Country Club with the Wednesday morning Sunrise Club and Lodi Club (which normally meets for lunch Thursdays). Thanks to Dan Smith for arranging Rick's appearance in Lodi and thanks to Chris Phelps for coordinating with the country club.

Feb. 13 — New Lodi Unified School District superintendent Neil Young will be our speaker. We'll see if he has his feet on terra firma by then.

If you know of someone who will expand all our horizons with an interesting talk, please contact Dan Smith (510-599-4762; [djsmith@bpschapel.com](mailto:djsmith@bpschapel.com)).
