Assistant Governor

### Bulletinb for 3/6/23

**Monday, March 6, 2023**

Community Liaison Officer Michael Cascio, will update us on the homeless access center and new enforcement initiatives. Lisa Craig set this one up.

Don't forget — Linda's and Chris' Lodi Craft Beer Festival meeting tonight, 5:30 p.m.at Linda's, 2938 Rosewood Dr, over on the far westside. We will be snacking on turkey chili, corn chips and perhaps other "fixin's" that Linda can come up with.

#### Upcoming meetings:

March 13 — District Gov. Chris Daly from the Sonora Sunrise Club will visit us. In case you have a district question, here's the District 5220 website: <https://rotary5220.org>.

March 20 — Our speaker is Dave Rajkovich, president of the Stockton Maritime Museum. Dave leads a large cadre of volunteers restoring the USS Lucid at the Port of Stockton. This is a Korean War era minesweeper, that is a sister of several that were constructed in Stockton way back when. Marty Weybret finally got this act together.

April 3 —Lodi resident and children's author Danna Smith discusses her book "The Complete Book of Aspen" and her surprising experiences following a DNA Test. Dan Smith, no relation, arranged for Danna Smith's speech.

April 10 — Vanessa Barberis, Public Sector Manager for Waste Management will update us on state mandates that impact waste collection in Lodi and the basics of organics recycling. Lisa Craig made arrangements with Vanessa.

April 17 — Judge Barbara Kronlund will have a Power Point presentation about judicial independence. Our favorite Judge Dave Warner set this up.

June 12 — Akiliah Manuel is Lodi's new head Librarian. He'll get us up-to-date on library programs including a new one for teens.

If you know of someone who will expand our horizons with an interesting talk, please contact Dan Smith (510-599-4762; [djsmith@bpschapel.com](mailto:djsmith@bpschapel.com)).

#### Upcoming Events:

May 27-31 – Rotary International Convention. Melbourne, Australia

June 10 (Saturday) — Lodi Craft Beer Festival. Put it on your calendar and sign up for a job. All hands on deck!
